

211

GET CONNECTED. GET HELP.

211 IS A VITAL SERVICE USED BY MILLIONS OF PEOPLE

seeking access to free and confidential crisis and emergency counseling, disaster assistance, food, health care, housing and utilities assistance.

No matter the situation, the specialists at 211 listen, identify underlying problems, and connect people in need with resources and services in their local community that improve their lives.

Last year, 211 made more than 14 million connections to help by phone, text message and web chat. A real person answers the call, providing caring help and expert guidance.

211 is available **24/7/365**.

This critical service is **FREE** thanks to support from United Way of Champaign County, the Champaign County Mental Health Board, and Champaign County Developmental Disabilities Board.
