United Way
of Champaign County

Thank you for partnering with United Way!

Communication with supporters is critical to the long-term success of a workplace campaign. United Way utilizes three methods of email communication: ePledge by ANDAR/360, direct emails from staff, and Constant Contact.

To ensure United Way and ePledge emails are received by your company's employees, we encourage SPAM Filter Whitelisting/Safe Listing and exclusion from email rate controls for the domains and IP Addresses below.
