

LEADING THE CHARGE INSPIRING THE CHANGE

WE ARE WOMEN UNITED.

As an integral part of United Way, **Women United®** fights for the health, education, and financial stability of every person in our community. We are a diverse, vibrant group, bound together by a powerful sense of belonging — to each other, to United Way's mission, and to this place we call home. We are part of a powerful, global network of women leaders, over 70,000 strong, who choose to Live United.

WE IGNITE CHANGE.

In Champaign County, we tackle the issues that matter most to the people who call it home. We empower each other to leverage our passions, ideas, expertise, and resources to transform the very conditions in which people live.

With **more than 700 members and \$700,000 invested in local solutions**, we're able to create change in targeted ways, while also being part of United Way's bigger picture and broader cause.

Two of our big wins include the establishment of a scholarship fund for women attending Parkland College and granting critical financial support to the Emergency Shelter for Families.

As we grow, so does our impact - we recently expanded our work to support United Way's Early Grade Level Success initiative.

Women United harnesses the power and dedication of women leaders to transform our community.
